

Always use the best equipment you can afford. I use only Rembrandt and Winsor Newton Artist Series (Not Winton) and buy my supplies at www.jerrysartarama.com or www.dickblick.com for the best prices. The Michaels store does NOT have everything you need. Order online for the best prices. It generally takes a week to get your supplies.

Supply list:

Charcoal: Strathmore 500 Series white or off white paper,
Winsor Newton Charcoal in soft, medium and hard
fine sandpaper and a vessel to catch the powder in
